Henry Ward Seecher's Theory of Hoders
Sprinnishs.

Many leatures have stated, in various parts of the country, that we have been converted to the faith of medern spiritualism. In come of comparisons of the country, that we have been converted to the faith of medern spiritualism. In come of comparisons of inquiry, or of exposultation, or of congratulation. Including as an answer to all.

Doar Sir : Your letter, asking me whether it can be believe in modern spiritualism, is but one of a number before me. And publishing my reply, will serve to disabase other persons who have been told the same stories within are similarly to the Cincinnation of the comparison of the same stories within a result of the same stories and the same stories are successful.

Yrightia has a debt of \$15,000,000 on horse public works are now production. She is on the same stories and public works are now greated to make them every system and the same stories are in part or the same stories are often such as have never yet been adequately accounted for.

Z. But, is am a stout unbeliever in the spiritual origin of these phenomena, either by good spirits or bad spirits, or easy spirits witherer. This tentimony, I have borne again and segain, in private and public by opened and by pendant and the same stories and public, by opened and by pendant and the strait. The substance of the "coar manifestions" have quite turned to such faith in others inclined are to it; for, NORTH SIDE—75 BY 160 FEST IN the control of the con mixil time.
